April 17, 2016 - - Carlisle High School

**A. Call to Order**

The Meeting was called to order by President Charles Hartman at 6:59.

**B. Minutes**

The reading of the minutes from the meeting of April 10 was dispensed with since the minutes are now posted on the chapter website. The minutes were approved as posted.

**C. Treasurer's Report**

Treasurer Dave Eavenson brought the membership up to date. It was added that there should be an expectation that future payments for several invitationals will no longer be cash. Checks will be the rule, not the exception.

**D. Presentation on Officiating: Shot Put – by Jere Harbold**

Jere: be organized, project professionalism, be in command of the event, and represent the Chapter & PIAA well.

- Safety 1<sup>st</sup>. Check facility for safety of athletes, spectators, and yourself. Things can and DO happen that could cause injury.
- Line up competitors in the order they throw to help effect good meet management
- Marks in the throwing sectors are illegal. Those outside the circle are OK. Markers for javelin are OK for replication of runway approaches (shoes are NOT legal markers). Javelin has a limit of 2 markers.
- Be careful to observe the measuring tape: metric, English, surveyor, or combination thereof.
- Be consistent in marking the event. Different surfaces create marking issues, particularly stone in the shot put.
- Implements that strike the cage are a foul in High School, but allowed in collegiate meets as long as the implement lands in the sector.
- Record results as legible as possible.

**E. "You Make the Call"**

- Protest is upheld. RB p.21 4-1-2; p.22 2-1&2
- Shorts are illegal. RB p.22 4-3-1, 4-3-1 b4
- Incorrect RB p.12 3-2-3o; p.51 7-2-3
