Be aware (from J. Ellingsworth) that 4.4 on page 27 of the rule book refers to reasonable accommodation of several things. Use good judgement when thinking about refusing participation when religious issues arise. While a letter from the PIAA is the best case, use good judgement if there exists a clear religious implication.

Also, PIAA has mandated PIAA Officials to start Varsity Cross Country Meets in 2019.

Dave Eavenson: dues are still being accepted
