- A. Call to Order: Our first meeting of the 2020 Track & Field season was called to order by President Jim Hudson at 8:00 pm., immediately following the 2020 Rules Interpretation meeting for coaches and officials.**
- B. President's/VP's Report:** President Hudson welcomed everyone and extended his thanks to the members of the executive committee for their efforts and input on various issues that required attention prior to the start of the current season. He encouraged everyone to familiarize themselves with the information/changes that had just been presented by the interpreters. We are again looking forward to a busy and productive T & F season 2020!
- C. Corresponding Secretary's Report:**
- Bill G. covered a myriad of issues beginning with a reminder to everyone to make sure that they had signed in for the evening. Meeting attendance was further discussed and members were reminded of the option to get meeting credit by taking the online officials exam. The welfare of several members with health issues was addressed—George Z. updated the chapter on wife Ginger's recovery from her recent serious injury incurred while officiating a collegiate event. Both George and Ginger thanked everyone for their concern and well-wishes. Frank N. spoke about his recent cardiac issues and assured all that he was on the road to recovery. Bill G. continued his report covering some minor changes due to bi-laws requirements including the official approval of the chapter's name change. The new insurance requirement by PIAA and the Mid-Penn Conference was explained and discussed at length. At the present time all chapter members are covered from Jan. 1<sup>st</sup> through Dec. 31<sup>st</sup> of the current year. The cost for this year has been paid by the chapter. Voluntary reimbursement of approximately \$15.00 per member to the treasurer was encouraged. New members were introduced this evening, Nina and Brad. Recruitment of additional new members was also encouraged.
- D. Treasurer's Report:**
- Treasurer's report—current balance- \$1200.98. (Before receiving any dues for 2020)
- Skip reminded everyone about dues for this year, still \$25.00, no increase from last year despite the need to cover the cost of the new insurance requirement.
